Additional Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Additional Secretary No Date 29/8 Government of Mysore

Sir,

Subject:- Employment of Additional Sweepers at Saragur Municipality, Heggadadevanakote Taluk.

I have the honour to state that the conservancy staff of the Sargur Minor Municipality consists of a peon on Rs.10/- per mensem, 5 sweepers on Rs.9/- each per mensem and one sweeper on Rs.10/- per mensem. These sweepers have been appointed in accordance with Government Order No.L.6673-4ML 18 dated 29-11-1918 and L.757-2-3/ML.18-34-43 dated the 29-4-1935.

The Strength of the Sweepers was found to be inadequate and one more was appointed in accordance with the Mysore District Deputy Commissioner's Memo No.D3.C.5535 dated 4-11-1938. The Additional sweeper has been continued by the Municipal Council without obtaining the sanction of the competant authority. The auditors who audited the accounts of the Municipality for the year 1939-40 have observed that the unauthorised continuance of the additional sweeper is irregular and that the ~~might be reported~~ might be sanction of Government for the unauthorised continuance of the sweeper.

During April last on 1-4-1945 at the time of the inspection of the Municipal Office by me, the Municipal Councillor and the President of the Municipal Council represented to me that the present strength of the sweepers including the sweeper who has been unauthorisedly continued was insufficient and that the employment of two more additional sweepers was an immediate necessity in order to maintain the sanitary services of the place in an efficient condition. In anticipation of obtaining approval of Government, I have directed the President of the Municipal Council, to appoint two more sweepers

The Municipal Council who met at their meeting held on the 27th July 1945 resolved that all the above mentioned sweepers might be entertained permenently. The expenditure involved has been met out of the budget provisions made in the previous years, and the expenditure for the current year will be met ~~fxxtxx~~ out of the provision which has been made in the budget for the current year ~~in the financial budget for the current year~~. The financial position of the Municipality is satisfactory and it is capable of meeting the additional expenditure on this account.

I therefore request that sanction may kindly be obtained for the permenent employment of the sweepers as noted in the margin with effect from the dates noted ~~xxxtxx~~ against each item. The resolution of the municipal Council, the proposition statement in duplicate and the Extraxt from the Audit notes for the year 1939-40 are enclosed herewith for kind reference.

One Sweeper on Rs.9/- per mensem with effect from 4-11-1939.
Two sweepers on Rs.9/-each per mensem with effect from 1-4-1945.

Yours faithfully,
C. M. H. Ranajodha Singh
